Our Seven teacher-educators are engaged in above seven schools during the internship programme. All the School Internship activities listed in the B.Ed. Curriculum are conducted under the guidance of teacher-educators. Following are some points in which teacher-educators are kept engaged.

- **Mentoring** - Internees are divided in different groups. One Teacher-educator is assigned as the guide/mentor of one group. They have completed all the activities under the guidance of the mentor teacher.
- **Practice Lesson Guidance** – Teacher-educators guide to their students for lesson planning. They helped them to prepare different kinds of lesson plans.
- **Practice Lesson Observation** - Teacher-educators observe each lesson of student-teachers and give feedback according to their performance and suggest improvement regarding their practice lesson.
- **Monitoring** - Teacher-educators monitor their assigned group time to time. They observe each and every activity and helps to complete all the required activities in the school.
- **Assessment** - Teacher-educators assess their student-teachers work time to time.
- **Coordination** - Teacher-educators play role of coordinator between school and college. They conduct meetings with school headmaster, nodal teacher and student teachers. They solve the problems of their student-teachers and help them to cope up with the school environment.
- **Guidance for the various work** - Teacher-educators assign work to the student-teachers and guide them for workshops conducted during the internship programme such as action research, psychological testing, case study, preparation of various types of timetables, Cultural and scholastic activities.
